## **Background to the Solicitation**

The following is a chronology of events leading up to this proxy solicitation. We are extremely disappointed that the Board has thus far been unwilling to engage with us in a constructive manner or to reach an amicable resolution regarding the composition of the Board, leaving us with no choice but to undertake this proxy solicitation. We are also incredulous that the Board has instead resorted to litigation, in SAVE's view, in an attempt to stifle shareholder democracy and prohibit its largest shareholder's voice from being heard:

- On October 30, 2009, Shareholder Advocates For Value Enhancement, Craig W. Thomas and Bradley M. Tirpak (collectively, the "First SAVE Group"), in accordance with the Bylaws of the Company (the "Bylaws"), submitted to the Company a notice of their intention to nominate Mr. Tirpak, Peter A. Michel and Alan J. Gotcher for election to the Board at the annual meeting to be held on December 15, 2009.
- On December 9, 2009, the Board postponed the date of the Company's annual meeting of shareholders from December 15, 2009 to June 15, 2010.
- On December 14, 2009 (as amended on December 17, 2009), the First SAVE Group filed a Motion for a Temporary Restraining Order and a Complaint in The United States District Court for the Eastern District of Pennsylvania naming as defendants the Company and its directors (the "Litigation"). The Litigation sought, among other things, to have the Company's postponement of the annual meeting declared null and void, to have the annual meeting convened as soon as practicable with a record date of September 30, 2009 (the record date for the annual meeting originally scheduled for December 15, 2009), and to have the votes accepted and certified at such convened annual meeting.
- On February 4, 2010, the Company, the First SAVE Group and certain other parties entered into a Settlement Agreement (the "First Settlement Agreement") to settle the proxy contest pertaining to the election of directors to the Board at the Company's annual meeting of shareholders originally scheduled for December 15, 2009 and held, as postponed, on June 15, 2010 (the "2010 Annual Meeting"). Pursuant to the First Settlement Agreement, among other things:
  - Peter A. Michel and Bradley M. Tirpak, nominees of the First SAVE Group, were appointed to the Board;
  - if the Company did not (i) achieve positive earnings before interest, taxes, depreciation and amortization ("EBITDA") in the quarter ending December 31, 2010 and (ii) have at least 100,000 connections to its network as of December 31, 2010, the First SAVE Group would have the right to name a third nominee to serve on the Board;
  - the Company amended certain provisions of the Bylaws, including the following:

- increasing the number of individuals serving on the Board from eight to nine;
    - providing that the Board would consist of one class of directors after December 31, 2011;
    - providing that the 2010 Annual Meeting would be held on June 15, 2010, the 2011 annual meeting would be held on June 13, 2011, and thereafter each annual meeting would be held on a date to be set by the Board no earlier than June 8 and no later than June 30 of each calendar year; and
    - providing that in addition to the Chairman, the Chief Executive Officer and the Board, special meetings may also be called by the holders of at least 20% of the combined voting power of the then outstanding shares entitled to vote at the special meeting;
  - at the 2012 annual meeting of shareholders, all of the directors of the Company would stand for election as one class, the composition of the Board would consist of only one class of directors and upon election, all directors would serve for one-year terms;
  - the First SAVE Group agreed to certain standstill provisions through December 31, 2011; and
  - the Company and the First SAVE Group voluntarily dismissed with prejudice the Litigation.
- By letter dated January 31, 2011, Mr. Tirpak, acting in his capacity as a managing member of Shareholder Advocates For Value Enhancement, designated a third Shareholder Advocates For Value Enhancement nominee, Alan J. Gotcher, to serve on the Board, and requested that Mr. Gotcher be appointed to the Board by no later than March 1, 2011.
  - On February 9, 2011, the Company filed a Complaint For Declaratory Judgment in the United States District Court for the Eastern District of Pennsylvania requesting the Court to enter a declaratory judgment that Messrs. Tirpak, Thomas, and Michel were not entitled to appoint a third director to the Board. On March 4, 2011, the Company voluntarily dismissed this complaint without prejudice.
  - On May 27, 2011, the Company, and Shareholder Advocates For Value Enhancement, Messrs. Thomas, Tirpak and Michel (collectively, the “Second SAVE Group”), and certain other persons entered into a Second Settlement Agreement (the “Second Settlement Agreement”). The Second Settlement Agreement provided that (1) the Company would appoint a new independent director to fill the then existing vacancy on the Board, (2) three months from the date when the new independent director is seated, the independent directors would

select a lead independent director, and (3) the Second SAVE Group therefore withdrew its January 31, 2011 letter to the Company.

- On October 12, 2011, the Company announced that, on October 5, 2011, it (1) suspended George R. Jensen, Jr. as the Chairman and Chief Executive Officer of the Company pending the ongoing investigation by the Audit Committee of the Board of postings by Mr. Jensen concerning the Company made on an Internet message board, and (2) appointed Stephen P. Herbert, then President and Chief Operating Officer, as interim Chief Executive Officer and Chairman. The investigation determined that Mr. Jensen had posted approximately 450 inappropriate comments on the Yahoo! message board over a period of approximately two months.
- On October 17, 2011, the Company announced that, on October 14, 2011, Mr. Jensen resigned as Chairman and Chief Executive Officer of the Company and as a member of the Board effective immediately.
- On December 5, 2011, the Company announced that, on November 30, 2011, it appointed Stephen P. Herbert as Chairman of the Board of Directors and Chief Executive Officer of the Company.
- On March 2, 2012, the Company, Shareholder Advocates for Value Enhancement, Messrs. Thomas and Tirpak entered into the Third Settlement Agreement (the "Third Settlement Agreement"). Pursuant to the Third Settlement Agreement, (1) the Company accepted the resignation of Mr. Tirpak as a director, and (2) the Company agreed that through the time of the 2012 annual meeting of shareholders of the Company, it would not repeal, amend or modify any of the amendments to the Bylaws adopted pursuant to the First Settlement Agreement, unless Mr. Tirpak approves any such repeal, amendment or modification.
- On April 13, 2012, in accordance with the Bylaws, Mr. Tirpak submitted to the Company a notice of his intention to nominate the Nominees for election to the Board at the Annual Meeting.
- On April 19, 2012, Mr. Tirpak had a brief call with Mr. Herbert. They agreed to speak the following day.
- On April 20, 2012, Mr. Tirpak had a call with Mr. Herbert to discuss the Company's business and strategic direction and to see if a mutually agreeable resolution could be reached regarding Board composition.
- On April 23, 2012, Mr. Tirpak had a call with Mr. Herbert to see if a mutually agreeable resolution could be reached regarding Board composition. Mr. Tirpak expressed that any such resolution would need to provide for majority representation on the Board so that SAVE's highly-qualified Nominees would be able to implement SAVE's business plan with the objective of improving the Company's business and maximizing value for shareholders.

- On April 24, 2012, the Company issued a press release regarding SAVE's nomination of the Nominees.
- On April 30, 2012, SAVE issued a press release announcing its nomination of the Nominees, outlining its business plan for the Company and stating that, in SAVE's view, the Company needed a new direction and a new Board to realize its significant potential.
- On April 30, 2012 and May 1, 2012, Mr. Tirpak had calls with Steve G. Illes, a director of the Company, regarding the business, governance and future direction of the Company.
- On May 1, 2012, Mr. Thomas had a call with Frank A. Petito, III, a director of the Company, regarding the business, governance and future direction of the Company.
- On May 1, 2012, Mr. Tirpak had a call with Albin F. Moschner, a director of the Company, regarding the business, governance and future direction of the Company.
- On May 2, 2012, SAVE issued a press release commenting on the Company's third quarter results, in which the Company again reported operating and overall net losses for the quarter and continued to use significant cash in operations. The press release stated that, in SAVE's view, these results provide further evidence of the current Board's inability to realize the Company's significant potential.
- On May 3, 2012, the Company filed a lawsuit against SAVE IV, Locke and the Nominees in the United States District Court for the Eastern District of Pennsylvania (the "Court") in which the Company claims, among other things, that SAVE's April 30, 2012 press release violated the non-disparagement provisions of the Second Settlement Agreement and contained false and misleading statements and omissions in violation of the Securities Exchange Act of 1934. The Company is seeking, among other things, an order: (1) enjoining the dissemination of communications, including the April 30, 2012 press release, that allegedly violate the non-disparagement provision or contain false and misleading statements or omissions; (2) compelling the correction of the April 30, 2012 press release; (3) enjoining the members of SAVE from voting their Shares at the Annual Meeting; and (4) requiring SAVE IV and Messrs. Tirpak and Thomas to pay the Company's counsel fees, costs and expenses in this action. SAVE agreed to withhold the mailing of its April 30, 2012 press release pending the Court's ruling on the Company's motion for a temporary restraining order. On May 3, 2012, the Court indicated that it would hold a hearing on this motion on May 9, 2012. SAVE believes that this lawsuit is wholly without merit and intends to vigorously defend itself against all allegations.
- On May 3, 2012, SAVE issued a press release commenting on the lawsuit filed by the Company and stating that, in SAVE's view, the Company was using

shareholders' money in an attempt to disrupt shareholder democracy and prohibit its largest shareholder's voice from being heard. SAVE urged shareholders to contact the Board and tell them to allow shareholders to decide the future of their Company for themselves.

- On May 9, 2012, the Court held a hearing on the Company's motion for a temporary restraining order and, at the end of the hearing, the parties agreed to convert the Company's motion for a temporary restraining order to a motion for a preliminary injunction.

**PLEASE VOTE THE ENCLOSED GOLD PROXY CARD**

## **REASONS FOR THE SOLICITATION**

We are soliciting your support to elect the Nominees at the Annual Meeting because we believe the current members of the Board are not acting, and will continue to not act, in your best interests with respect to the business and future strategic direction of the Company. As the Company's largest shareholder, we have little confidence in the ability of the Board, as currently composed, to take the steps necessary to protect shareholders' interests and enhance shareholder value.

### ***We are concerned about the Company's stock price performance***

In the past year, since May 31, 2011 when the Company's stock closed at \$2.30, its share price has declined more than 47%, ending at \$1.20 on May 18, 2012. We urge all shareholders to review carefully the Company's share price performance.

SAVE is the Company's largest shareholder. We firmly believe the Company has excellent technology and talented employees. Our Nominees have the technological expertise to help the Company advance and exploit its technology, and SAVE's business plan, among other things, calls for rewarding high-performing employees with stock options to align their interests with shareholders. In our view, we have the motivation and the means to maximize shareholder value.

### ***We are concerned about the Company's negative cash flows and operating results***

Through the first nine months of fiscal 2012, the Company is losing money, with operating losses and net losses of approximately \$4.4 million and \$2.4 million, respectively. In addition, the Company burns through cash at an alarming rate – over \$6.0 million in the first nine months of fiscal 2012 – already far outpacing cash used in operations for all of fiscal 2011. We are concerned that negative cash flows may lead to additional dilution of shareholders and contribute to further declines in the share price.

We urge all shareholders to review carefully the Company's public filings, including its historical financial statements, with the Securities and Exchange Commission.

### ***We are concerned with the Board's compensation practices***

We believe that the compensation structure of the Board does not reflect a pay for performance culture and that the interests of the Board are misaligned with shareholders. In June 2011, the "independent" Board members granted themselves a stock award of 10,000 shares of Common Stock each, effectively raising their own Board fees by over 35%.

One of our Nominees, Mr. Tirpak, was a director at the time. He agreed to waive this stock award if the Common Stock closed below a specified price at the end of any calendar quarter. The stock price later declined and Mr. Tirpak waived this award. Not one other director waived his stock award. *This action alone speaks volumes as to the clear alignment of SAVE's interests with those of shareholders.* SAVE's philosophy is that directors should only be rewarded if shareholders make money.

We believe that director compensation of the type described above may compromise the Board's ability to properly evaluate and address the serious challenges facing the Company. Accordingly, if our Nominees are elected, subject to their fiduciary duties, they would propose that directors be remunerated solely with stock options. This would serve the dual purpose of helping to reduce the Company's significant cash burn and closely aligning directors' interests with shareholders.

***We believe the time to act is now as competitive pressures mount***

Cantaloupe Systems, Inc., a cloud-based wireless vending optimization platform provider that applies state-of-the-art business intelligence and analytics to monitor real-time vending sales data remotely, has entered the cashless vending space, installing its wireless Seed devices in vending machines and taking market share from the Company. On March 13, 2012, Cantaloupe Systems announced that "Midlantic Vending Services of Moorestown, NJ is replacing 300 USA Technology cashless readers with Cantaloupe Seed Cashless, and installing wireless Seed devices in 1,000 vending machines in Virginia, Maryland, New Jersey, the District of Columbia and Delaware. Based on initial tests, Midlantic is expecting a 40 percent lift in sales per machine and greater efficiencies with Seed's automated routing and analytics features."

In addition, in the **two years** since it launched, Apriva's Apriva Vend™ cashless payment solution has captured a significant customer base. According to Apriva, Apriva Vend™ experienced strong adoption rates during the quarter ended September 30, 2011, as activations rose approximately 24% percent compared to the previous quarter. The Company's connections grew approximately 8.4% over that same period.

We believe our Nominees have the qualifications, expertise and connections to enable the Company to further develop its technology and pursue strategic opportunities to address these growing competitive threats.

***We have a business plan to fix and grow the Company's business and enhance shareholder value***

We believe there is still time for the Company to realize its significant potential and enhance shareholder value. To accomplish this objective, we believe the Company needs a new Board and a new direction to strengthen the Company's core assets and lead the transition to a high-performing technology business.

We believe we have a business plan to improve the Company's business and create substantial and sustainable value for shareholders through the implementation of the following key initiatives:

- **Cut Costs** – Significantly reduce the Company's cash outflows, *starting by terminating the Company's outside corporate counsel, Douglas M. Lurio, who has also served as a Board member;*

- **Develop New Hardware** – Develop lower cost, higher functioning terminals to enable the Company’s customers to take advantage of the rapidly changing mobile payments market and accelerate the return on investment for all stakeholders;
- **Increase Processing Profits** – Reduce costs and increase profitability in the transaction processing segment, and build internal capability to take advantage of least cost routing;
- **Launch Vending Route Management Solutions** – Develop services to help customers use data to optimize their vending routes and increase their profitability;
- **Expand Internationally** – Distribute the Company’s products on a global scale. The worldwide market is expected to grow to 35 million vending machines by 2015;
- **Protect Intellectual Property** – Enforce and defend the Company’s key and valuable patents against emerging competitive threats, including Apriva, Cantaloupe Systems and Spindle;
- **Minimize Dilution** – Explore alternative options to finance the Company’s operations in order to minimize dilution to shareholders and avoid any associated downward pressure on the Company’s stock price;
- **Align the Board’s Interests with Shareholders** - Our Nominees plan to accept only options for service on the Board. We want it to be entirely clear that we believe in a pay for performance culture.
- **Reward Employees** – We plan to implement a stock option program for employees so that high-performing employees can benefit along with shareholders.

SAVE believes that the pricing of options to directors and employees (at a level equal to or greater than the closing price on the date of grant, as opposed to a discount to market price that is a hallmark of equity offerings), coupled with the alignment of interests produced among directors, employees and shareholders, offsets any potential dilutive impact from the issuance of these options.

If elected, our Nominees would seek to undertake a comprehensive evaluation of senior management, establish clear and attainable goals for the business and, where appropriate, recruit new executive talent experienced in transaction processing, hardware, software, vending and sales. Our business plan could change subject to our Nominees’ fiduciary duties to shareholders, if elected.

***Our Nominees have the connections, experience and qualifications necessary to fully explore and pursue opportunities to enhance shareholder value***

We are offering shareholders a choice of new directors who we believe will maximize value for all shareholders. We ask that every shareholder review our Nominees’ credentials, compare them to those of the current Board, and simply ask whether the Company would benefit from the experience and expertise our Nominees would bring.

The Board currently consists of nine (9) members. We have nominated seven (7) highly qualified nominees who, if elected, will constitute a majority of the Board. In our view, our Nominees have the connections and the valuable and relevant industry, business and financial experience to bring fundamental strategic and operational change to the Company now, and to help the Company establish a leading position in the unattended point of sale marketplace globally.

***Our Nominees are:***

**John S. Ioannou** is President and Senior Managing Director of SCFGlobal Management LLC, a specialty finance holding company. Previously, Mr. Ioannou served as President of Next Generation Vending, LLC (f/k/a Next Generation Vending and Food Service, Inc.), a leader in vending services for the Northeast region (“Next Generation Vending”), from October 2007 to December 2010. Mr. Ioannou led the turnaround of Next Generation and spearheaded its efforts to apply vending route management technology to increase route operation efficiency. We believe that Mr. Ioannou’s deep industry knowledge in the vending industry, experience building a growth company and extensive technology background will give him vital insight into the Company’s needs and challenges, making him well qualified to serve on the Board.

**Ajoy H. Karna** served in various senior-level finance and strategic capacities at PepsiCo, Inc. (“PepsiCo”) from 2001 to 2012, including Senior Vice President, Finance of Frito Lay, Inc. from February 2009 to February 2012 and Senior Vice President, Mergers and Acquisitions at PepsiCo Corporate from November 2006 to February 2009. We believe that Mr. Karna’s broad strategic and operating finance experience in the food and beverage industry, including vending experience, as well as his capital markets experience, will enable him to provide the Company with critical perspectives and advice on the industry in which the Company operates and on potential strategic opportunities, making him well qualified to serve on the Board.

**Rodman K. Reef** is the Managing Principal of Reef Karson Consulting, LLC, a consulting firm specializing in the global payment business. From January 1988 to November 2008, Mr. Reef was Chairman and Chief Executive Officer of Citishare Corporation, a subsidiary of Citigroup Inc. engaged in the retail electronic payments business. Mr. Reef has participated in the boards and advisory committees of several U.S. and global payment businesses, including NYCE (where he was a member of the board committee that conducted the sale process for the company), Visa, MasterCard’s and Europay’s Maestro, a global PIN POS system, and The Clearing House’s Payments Company. We believe that Mr. Reef’s extensive experience in the payment industry, including his high volume transaction processing experience in the credit card industry, and technology background will give him unique insight into the Company’s needs and challenges, making him well qualified to serve on the Board.

**Andrew Salisbury** is the Chief Executive Officer of Videlica. Videlica delivers new technologies to improve the consumer experience at large corporations. From June 2000 until its sale to Aspect Software, Inc. in July 2011, Mr. Salisbury was Chief Executive Officer of Corsidian (f/k/a Manta Systems), which was one of the largest distributors of customer contact solutions in Latin America. We believe that Mr. Salisbury’s sales leadership experience and experience in building a profitable growth company in international markets will give him vital

insight into the Company's needs and challenges, making him well qualified to serve on the Board.

**Craig W. Thomas** co-founded and is a managing member of Shareholder Advocates for Value Enhancement, an organization dedicated to enhancing long-term value for shareholders, and its related funds. From 2003 to 2008, Mr. Thomas held various positions at S.A.C. Capital Advisors, LLC, including portfolio manager and director of research. Mr. Thomas serves on the board of directors of Direct Insite Corp. and previously served on the boards of directors of Laureate Education, Inc. and WCI Communities, Inc. We believe that Mr. Thomas' extensive investment experience and service on the boards of directors of public companies will enable him to assist in the effective oversight of the Company, making him well qualified to serve on the Board.

**Bradley M. Tirpak** co-founded and is a managing member of Shareholder Advocates for Value Enhancement and its related funds. He has been a self-employed investor who manages a portfolio of equities, fixed income and private equity investments since 2008. Mr. Tirpak served on the Board of Directors of the Company from February 2010 until March 2012 and was a member of the Company's Nominating Committee during that period. We believe that Mr. Tirpak's extensive knowledge of the Company will enable him to assist in the effective oversight of the Company, making him well qualified to serve on the Board.

On April 26, 2012, SAVE IV, Locke, the Nominees, the James Stuckert Trust, the Diane Stuckert Trust, Mr. Stuckert and Mrs. Stuckert (collectively the "Group") entered into a Joint Filing and Solicitation Agreement in which, among other things, (a) the Group agreed to the joint filing on behalf of each of them of statements on Schedule 13D, and any amendments thereto, with respect to the securities of the Company, (b) the Group agreed to solicit proxies or written consents for the election of the Nominees to the Board at the Annual Meeting (the "Solicitation"), (c) the Group agreed not to sell or otherwise transfer any securities of the Company without the prior written consent of SAVE IV, and (d) SAVE IV agreed to pay directly all pre-approved expenses incurred in connection with the Group's activities with respect to the Solicitation.

SAVE IV has entered into a memorandum of understanding with Mr. Wallner that contemplates, subject to approval by the Board, (i) that SAVE will recommend that the directors of the Company only be remunerated in stock options with an approximate value of \$25,000 as of the grant date, in order to align directors with all shareholders, (ii) that the Company, in view of Mr. Wallner's extensive industry and technical expertise, engage Mr. Wallner to serve as a consultant to the Company for a three-year period, and (iii) that, should Mr. Wallner serve as a consultant to the Company, SAVE would recommend that the Company approve as compensation approximately 400,000 stock options having an exercise price of approximately 25% above the market price and vesting upon the earlier of one year or if the Common Stock of the Company trades at least \$1.00 above the exercise price for a period of 30 consecutive trading days. In the event that Mr. Wallner becomes a consultant to the Company, he would not be deemed to be an independent director of the Company within the meaning of applicable NASDAQ listing standards.

Except as otherwise indicated above with respect to Mr. Wallner, each Nominee presently is, and if elected as a director of the Company would be, an "independent director" within the meaning of (i) applicable NASDAQ listing standards applicable to board composition, including Rule 5605(a)(2), and (ii) Section 301 of the Sarbanes-Oxley Act of 2002. No Nominee is a member of the Company's compensation, nominating or audit committee that is not independent under any such committee's applicable independence standards.

Other than as stated herein, there are no material relationships between members of SAVE and any of the Nominees and there are no arrangements or understandings between members of SAVE and any of the Nominees or any other person or persons pursuant to which the nomination of the Nominees described herein is to be made, other than the consent by each of the Nominees to be named in this Proxy Statement and to serve as a director of the Company if elected as such at the Annual Meeting. In addition, we reserve the right to nominate substitute person(s) if the Company makes or announces any changes to the Bylaws or takes or announces any other action that has, or if consummated would have, the effect of disqualifying any Nominee, to the extent this is not prohibited under the Bylaws and applicable law. In any such case, Shares represented by the enclosed **GOLD** proxy card will be voted for such substitute nominee(s). We reserve the right to nominate additional person(s), to the extent this is not prohibited under the Bylaws and applicable law, if the Company increases the size of the Board above its existing size or increases the number of directors whose terms expire at the Annual Meeting. Additional nominations made pursuant to the preceding sentence are without prejudice to the position of SAVE that any attempt to increase the size of the current Board constitutes an unlawful manipulation of the Company's corporate machinery.

**YOU ARE URGED TO VOTE FOR THE ELECTION OF THE SAVE NOMINEES ON THE ENCLOSED GOLD PROXY CARD.**

The Company is submitting the appointment of McGladrey & Pullen, LLP for ratification of the shareholders at the Annual Meeting.

**WE MAKE NO RECOMMENDATION WITH RESPECT TO THE RATIFICATION OF THE APPOINTMENT OF MCGLADREY & PULLEN, LLP AS THE COMPANY'S INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM FOR FISCAL YEAR 2012 AND INTEND TO VOTE OUR SHARES "FOR" THIS PROPOSAL.**

### **PROPOSAL NO. 3**

#### **COMPANY PROPOSAL TO APPROVE THE 2012 STOCK INCENTIVE PLAN**

As discussed in further detail in the Company's proxy statement, the Board adopted, subject to shareholder approval, the 2012 Stock Incentive Plan. The 2012 Stock Incentive Plan provides for the granting of up to 500,000 shares of Common Stock.

**WE MAKE NO RECOMMENDATION WITH RESPECT TO APPROVAL OF THE 2012 STOCK INCENTIVE PLAN AND INTEND TO VOTE OUR SHARES "FOR" THIS PROPOSAL.**

## VOTING AND PROXY PROCEDURES

Only shareholders of record on the Record Date will be entitled to notice of and to vote at the Annual Meeting. Shareholders who sell their Shares before the Record Date (or acquire them without voting rights after the Record Date) may not vote such Shares. Shareholders of record on the Record Date will retain their voting rights in connection with the Annual Meeting even if they sell such Shares after the Record Date. Based on publicly available information, SAVE believes that the only outstanding classes of securities of the Company entitled to vote at the Annual Meeting are the Common Stock and Series A Preferred Stock.

Shares represented by properly executed **GOLD** proxy cards will be voted at the Annual Meeting as marked and, in the absence of specific instructions, will be voted **FOR** the election of the Nominees to the Board, **FOR** the ratification of the appointment of McGladrey & Pullen, LLP, **FOR** approval of the 2012 Stock Incentive Plan and in the discretion of the persons named as proxies on all other matters as may properly come before the Annual Meeting.

According to the Company's proxy statement for the Annual Meeting, the current Board intends to nominate nine (9) candidates for election as directors at the Annual Meeting. This Proxy Statement is soliciting proxies to elect only our Nominees. Accordingly, the enclosed **GOLD** proxy card may only be voted for our Nominees and does not confer voting power with respect to any of the Company's director nominees. Under applicable proxy rules, we are only permitted to solicit proxies for our Nominees. Therefore, shareholders who return the **GOLD** proxy card will only be able to vote for our seven (7) Nominees and will not have the opportunity to vote for two (2) other nominees to fill the two (2) other seats up for election at the Annual Meeting. You can only vote for the Company's director nominees by signing and returning a proxy card provided by the Company. Shareholders should refer to the Company's proxy statement for the names, backgrounds, qualifications and other information concerning the Company's nominees. The participants in this solicitation intend to vote all of their Shares in favor of the Nominees. There is no assurance that any of the Company's nominees will serve as directors if our Nominees are elected.

### QUORUM; DISCRETIONARY VOTING

The presence, in person or by proxy, of the holders of a majority of the votes entitled to be cast on a particular matter by the shareholders at the Annual Meeting is necessary to constitute a quorum for purposes of consideration and action on the matter. Votes withheld for director nominees and abstentions on the other proposals to be considered at the Annual Meeting will be counted in determining whether a quorum has been reached, but the failure to execute and return a proxy will result in a shareholder not being considered present at the meeting. Broker non-votes will be counted as present for purposes of determining the existence of a quorum.

The holders of the Common Stock and Series A Preferred Stock vote together, and not as a separate class. Each share of Common Stock is entitled to one vote and each share of Series A Preferred Stock is entitled to one-hundredth of a vote on each matter presented at the Annual Meeting.

Shares held by brokers, banks or nominees (i.e. in “street name”) may not be voted by such brokers, banks or nominees on the proposal to elect directors or the proposal to approve the 2012 Stock Incentive Plan unless the beneficial owners of such Shares provide them with instructions on how to vote. With regard to the proposal to ratify the appointment of McGladrey & Pullen, LLP, the ability of brokers, banks and nominees to vote the Shares held by beneficial owners that do not provide them with instructions on how to vote will depend on the extent of the solicitation conducted by SAVE.

## **VOTES REQUIRED FOR APPROVAL**

*Vote required for the election of directors.* According to the Company’s proxy statement, if a quorum is present, the nine (9) nominees receiving the highest number of votes cast at the Annual Meeting will be elected directors. Abstentions and broker non-votes will have no effect on the election of directors.

*Vote required for the ratification of the appointment of McGladrey & Pullen, LLP and the approval of the 2012 Stock Incentive Plan.* According to the Company’s proxy statement, if a quorum is present, the affirmative vote of a majority of the votes cast by all holders of the issued and outstanding shares of Common Stock and Series A Preferred Stock voting together is required to ratify the appointment of McGladrey & Pullen, LLP as the Company’s independent registered public accounting firm and to approve the 2012 Stock Incentive Plan. Abstentions will have the same effect as votes against these proposals and broker non-votes will have no effect on the outcome of these proposals.

## **REVOCAION OF PROXIES**

Shareholders of the Company may revoke their proxies at any time prior to exercise by attending the Annual Meeting and voting in person (although attendance at the Annual Meeting will not in and of itself constitute revocation of a proxy) or by delivering a written notice of revocation. The delivery of a subsequently dated proxy which is properly completed will constitute a revocation of any earlier proxy. The revocation may be delivered either to SAVE in care of Morrow & Co., LLC (“Morrow”) at the address set forth on the back cover of this Proxy Statement or to the Company at 100 Deerfield Lane, Suite 140, Malvern, Pennsylvania 19355 or any other address provided by the Company. Although a revocation is effective if delivered to the Company, we request that either the original or photostatic copies of all revocations be mailed to SAVE in care of Morrow at the address set forth on the back cover of this Proxy Statement so that we will be aware of all revocations and can more accurately determine if and when proxies have been received from the holders of record on the Record Date of a majority in voting power of the outstanding Shares. Additionally, Morrow may use this information to contact shareholders who have revoked their proxies in order to solicit later dated proxies for the election of the Nominees.

**IF YOU WISH TO VOTE FOR THE ELECTION OF THE SAVE NOMINEES TO THE BOARD, PLEASE SIGN, DATE AND RETURN PROMPTLY THE ENCLOSED GOLD PROXY CARD IN THE POSTAGE-PAID ENVELOPE PROVIDED.**

## **SOLICITATION OF PROXIES**

The solicitation of proxies pursuant to this Proxy Statement is being made by SAVE. Proxies may be solicited by mail, facsimile, telephone, telegraph, Internet, in person and by advertisements.

SAVE IV has entered into an agreement with Morrow for solicitation and advisory services in connection with this solicitation, for which Morrow will receive a fee not to exceed \$75,000, together with reimbursement for its reasonable out-of-pocket expenses, and will be indemnified against certain liabilities and expenses, including certain liabilities under the federal securities laws. Morrow will solicit proxies from individuals, brokers, banks, bank nominees and other institutional holders. SAVE IV has requested banks, brokerage houses and other custodians, nominees and fiduciaries to forward all solicitation materials to the beneficial owners of the Shares they hold of record. SAVE IV will reimburse these record holders for their reasonable out-of-pocket expenses in so doing. It is anticipated that Morrow will employ approximately 40 persons to solicit shareholders for the Annual Meeting.

The entire expense of soliciting proxies is being borne by SAVE IV. Costs of this solicitation of proxies are currently estimated to be approximately \$450,000 (exclusive of expenses related to the litigation brought by the Company against SAVE described above). SAVE IV estimates that through the date hereof its expenses in connection with this solicitation are approximately \$125,000. SAVE IV intends to seek reimbursement from the Company of all expenses it incurs in connection with this solicitation. SAVE IV does not intend to submit the question of such reimbursement to a vote of security holders of the Company.

The persons designated in the Company's proxy card will be granted discretionary voting authority with respect to any shareholder proposal with respect to which the Company does not receive timely notice.

In addition to the Securities and Exchange Commission's proxy rules, the Bylaws provide certain requirements that must be met for business (including nomination of directors) to be properly brought before an annual meeting of shareholders. The incorporation of this information in this proxy statement should not be construed as an admission by SAVE that such procedures are legal, valid or binding.
